## Skills & Abilities

I am a quick learner, and am avid about computers and Information Technology and Security. I am observant and able to assess a situation and interpret ideas and data quickly. I am creative and charismatic and when I understand a task, I can work diligently and efficiently.

## Education

### Lake Stevens High School - Graduated

2019 – 2023

My Average GPA over the time I've been in High School is 3.41, I've participated in groups such as Vex Robotics, and placed highly in one of the competitions of the years I participated. I took classes on digital design, did work with HTML, and graphical programs such as photoshop, illustrator, and document editing.

## Previous Jobs

### IJPhoto Professional Photography - Assistant

My mother is the owner of IJPhoto, and as her assistant I learned how to use Nikon cameras. But the majority of work with IJPhoto was just client based interaction and carrying things.
